EXPERIENCE

Thurayat Craftsman

(Traditional Oriental Lamps)

Bazaar Al-Fan Al-Arabi,

Damascus

Jan 2011-May 2015

crafting intricate designs in copper
paying full attention to small details
soldering delicate pieces together
to create a full design

ABOUT ME

I'm a passionate and pragmatic web developer,
specializing in full-stack development using
different technologies on the front/backend.
As handcraft designer, I have a good sense of
design, colors, usability and can build beautiful
and modern interfaces that people love
